Skate to where the puck is going to be, not where it has been – *Wayne Gretzky*

Not cheaper, better, faster

Molecular Testing today (PCR, RPA, LAMP)

Sample Processing

Sample Lysis

RNAse Inhibition

RNA Extraction

PCR Prep

PCR Probe Binding

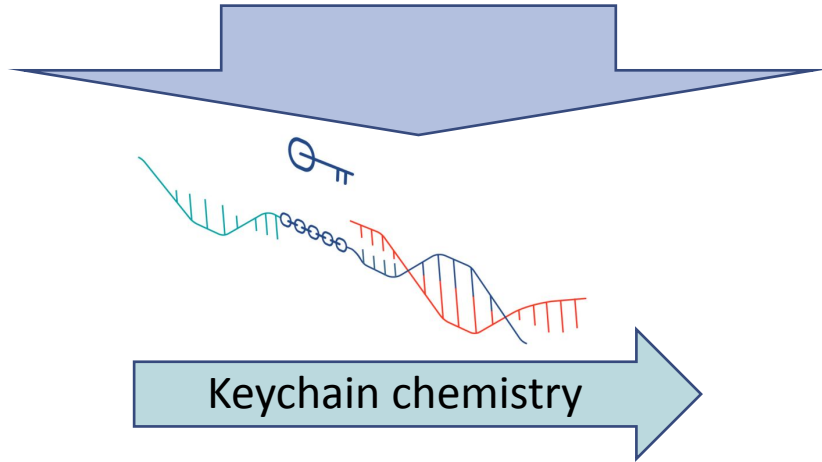

PCR Amp

Optical Detection

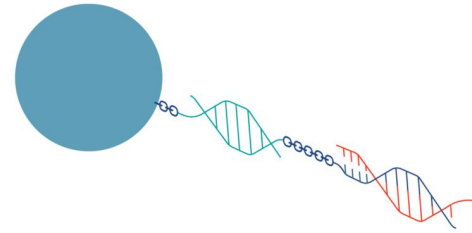

Data Processing

Clinical Report

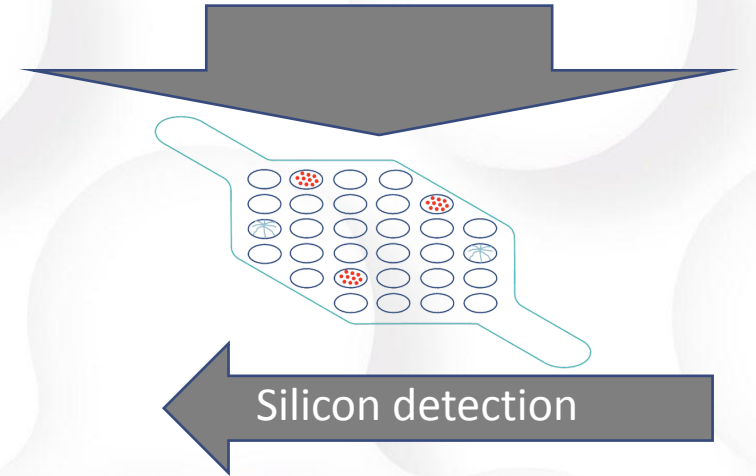

Our Technology

Single stage, simplified, programmable extraction from any biological sample

These three elements combined produce the detection by Proxy Assay

Cheap, scalable CMOS detection compatible with smart technology

- ***The Technology and Application***
- ***Value Proposition***
- ***How to articulate that VP***
- ***The Narrative***
- ***Credibility***
- ***Intellectual Property***

**Raise the smallest amount you need to
get to the next value inflexion point**

**Skate to where the puck is going to
be, not where it has been – *Wayne
Gretzky***

Not cheaper, better, faster

**Why you? Why this team? Why
now?**

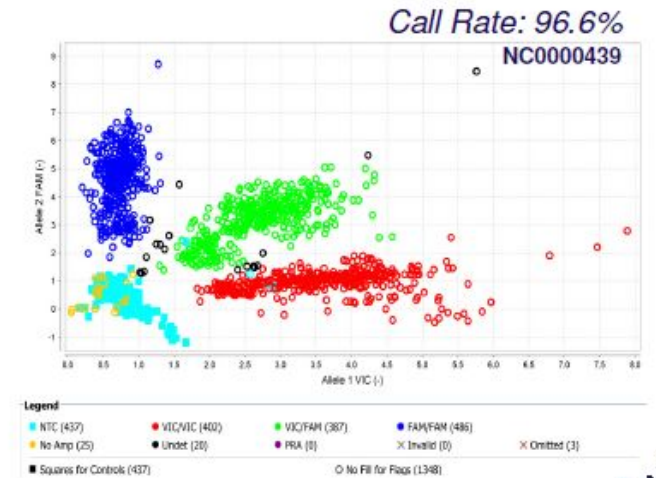

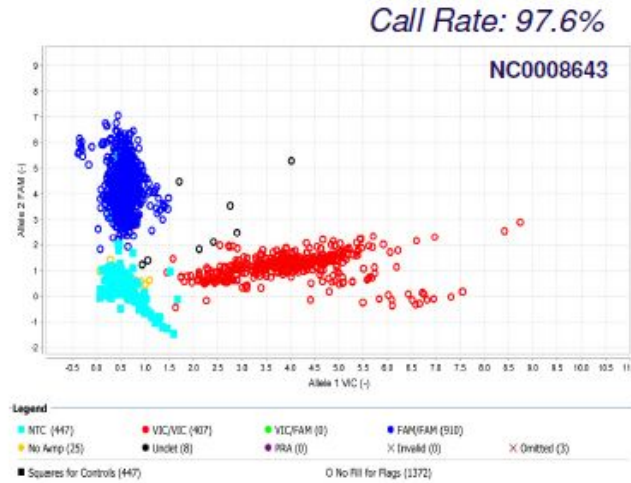

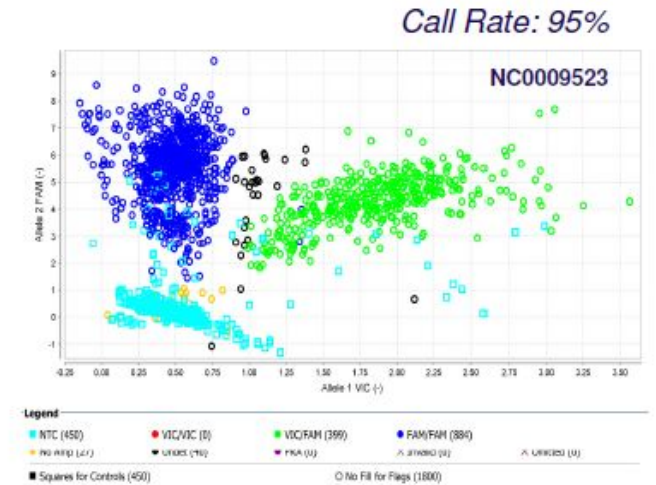

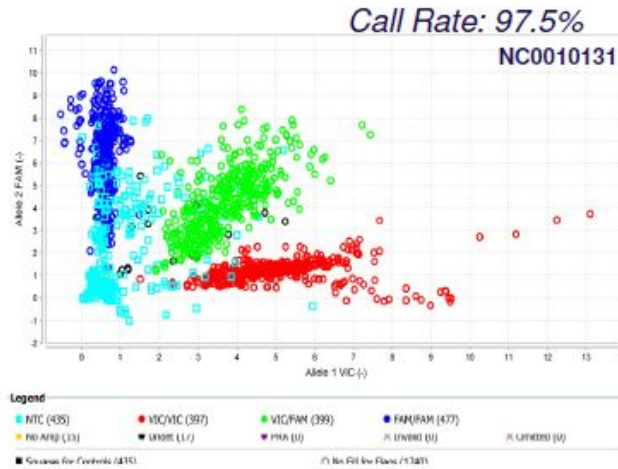

Keep it safe and very clean

- ***Government Grants and competitions(post spin-out)***
- ***Ireland/EU***
- ***USA***

- **Strategic Partners**
- **Licensing**
- **Co-development**
- **Investment**
